I'm sorry Kevin but if the illegal dumping is on private property the team would not be able to address it due to liability issues. The owner of the property would have to address it themselves.

Great, thanks so much Ruben! Even if it is private property, is there any way your team would be able to remove the illegal dumping? I know that is not your responsibility, but it would be a great help.

Hi all,

It appears that the illegal dump (photo) is in a parking lot which is likely private property. I will have the team survey the area tomorrow.

Hi Kevin,

Thank you for reaching out regarding this matter.

[+Ruben Hernandez](#): Hi Ruben, are you able to give us a little more background regarding the location: [655 N Fairfax Ave](#). It was scheduled twice 4/1 & 4/3. It looks like there is illegal dumping remaining in the alley.

Thank you so much!

Dear Leon and Diana,

I'm writing about the alley behind [655 N Fairfax Ave](#), which I put on the priority list for 4/1 and 4/3 for spot cleaning. 4/1 says "No H/E" and 4/3 says "Rec and Parks Assistance," yet the bulky items and illegal dumping remains in the alley. Are you able to find out why it hasn't been cleaned? I've put it on the list for 4/8 as well.

Thanks so much!
